

Are you at risk of **diabetes**?

(Risks include being overweight, having a family history of diabetes and your ethnicity.)

Why not come for a **free spot check**
to see if you are at high risk?

You may be eligible to take part in our
**Lifestyle Improvement
Research Programme.**

Contact **Vesta** on **020 7594 3278** or
v.simkute@imperial.ac.uk
for more information.
